Divine Mercy: A Way of Life
How do we share mercy with others?
Trusting in Jesus

Wednesday, April 13, 2016

Catherine Lanni, founder of The Servants of Divine Mercy, shares her story on Wednesday, April 13, at St. Joan of Arc. In 1986, Catherine was miraculously healed through the intercession of the Blessed Virgin Mary while on her deathbed, after giving birth to her youngest daughter. She made a promise that she would do something “good” for God (in return). In 1992, Jesus Christ appeared to Catherine and asked for “a total healing of every strata of the Church.” Along with her own story, Catherine will be sharing ways of Living a Life of Divine Mercy through Jesus.
