Computer and Small Electronic Community Recycling Day

Saturday, April 22, 2017 10:00 A.M. - 2:00 P.M.
St. Joan of Arc School

Have an old computer or other electronic that is unused and in your way?

St. Joan of Arc School wants you to collect those old electronics and help our school! We are asking for **\$5.00 donation vehicle**. ALL proceeds will be collected by and given to our school benefiting our Energy Saving Projects. St. Joan of Arc School has an inexpensive opportunity to safely and properly dispose of computers and small electronics. Computer Recyclers, a Michigan firm works with many other schools and non-profits. They will collect our product at no charge! They also guarantee that no component will end up in a landfill.

Items Accepted for St. Joan of Arc Fundraiser:

Desktop PC's and Workstations Notebook, Laptop, and Tablet PC's
LCD Monitors Printers: Both Ink And Laser
Speakers, Keyboards, Mice Scanners, Laptop bags
Cord/Wire: Computer, Electrical, Cable, etc. PDA's, Cell Phones
Video And Projection Equipment Audio Equipment (Stereo Receivers, etc.)
Cameras: Both Old Style And Digital Calculators: Desk And Handheld
Misc. Small Electronic Items

Ink Cartridges New And Used (Please bag leaking cartridges)

Home Media Servers, External Hard Drives, Computer Drives, CD, DVD, Hard, Floppy

Small household appliances: Toasters, Irons, Phones, etc.

Non-Household Batteries i.e. Lead-acid batteries, Auto & Back-up, Laptop (No AAA, AA, C, D)

*****NO TVS! NO CRT MONITORS!*****

Electronics contain many hazardous materials that can contaminate groundwater if placed in landfills. They also consist of valuable resources, such as precious metals, copper, and engineered plastics, all of which require considerable energy to process and manufacture. Recycling electronics recovers valuable materials, rather than manufacturing them, conserves natural resources, and results in lower environmental emissions (including greenhouse gases). Do Your Part! All hard drives collected at this event will be destroyed, N.C.!
